

Cover layout

A deliberate hierarchy for a clear business story.
Replace the title and subtitle using the matching layout.

Agenda layout

- 01 Business context
- 02 Performance and evidence
- 03 Operational constraints
- 04 Decision and next steps

Section layout

A deliberate hierarchy for a clear business story.
Replace the title and subtitle using the matching layout.

Narrative layout

Use one main message.

Keep supporting evidence short enough to read at a glance.

Move detailed data into an appendix when it stops the story.

Two Columns layout

CONTEXT

State the business issue.
Show its practical effect.
Keep one clear message.

RECOMMENDATION

Connect the evidence.
Explain the trade-off.
Name the next step.

Three Columns layout

PRIORITY ONE

Clarify the input.
Confirm the baseline.

PRIORITY TWO

Test the change.
Review the evidence.

PRIORITY THREE

Assign ownership.
Agree the deadline.

Comparison layout

BEFORE

Scattered evidence.
Unclear decisions.
Inconsistent formatting.

AFTER

One coherent narrative.
Explicit next action.
Consistent editable source.

Metrics layout

10%

REVENUE GROWTH

9.4%

EBITDA MARGIN

91%

ON-TIME DISPATCH

Always include the period, unit and source beside the metric.

Picture and Caption layout

PICTURE PLACEMENT

Insert a licensed 16:9 image here.
This example contains no stock asset.

CAPTION

Describe what the image demonstrates.

Record its source and usage rights.

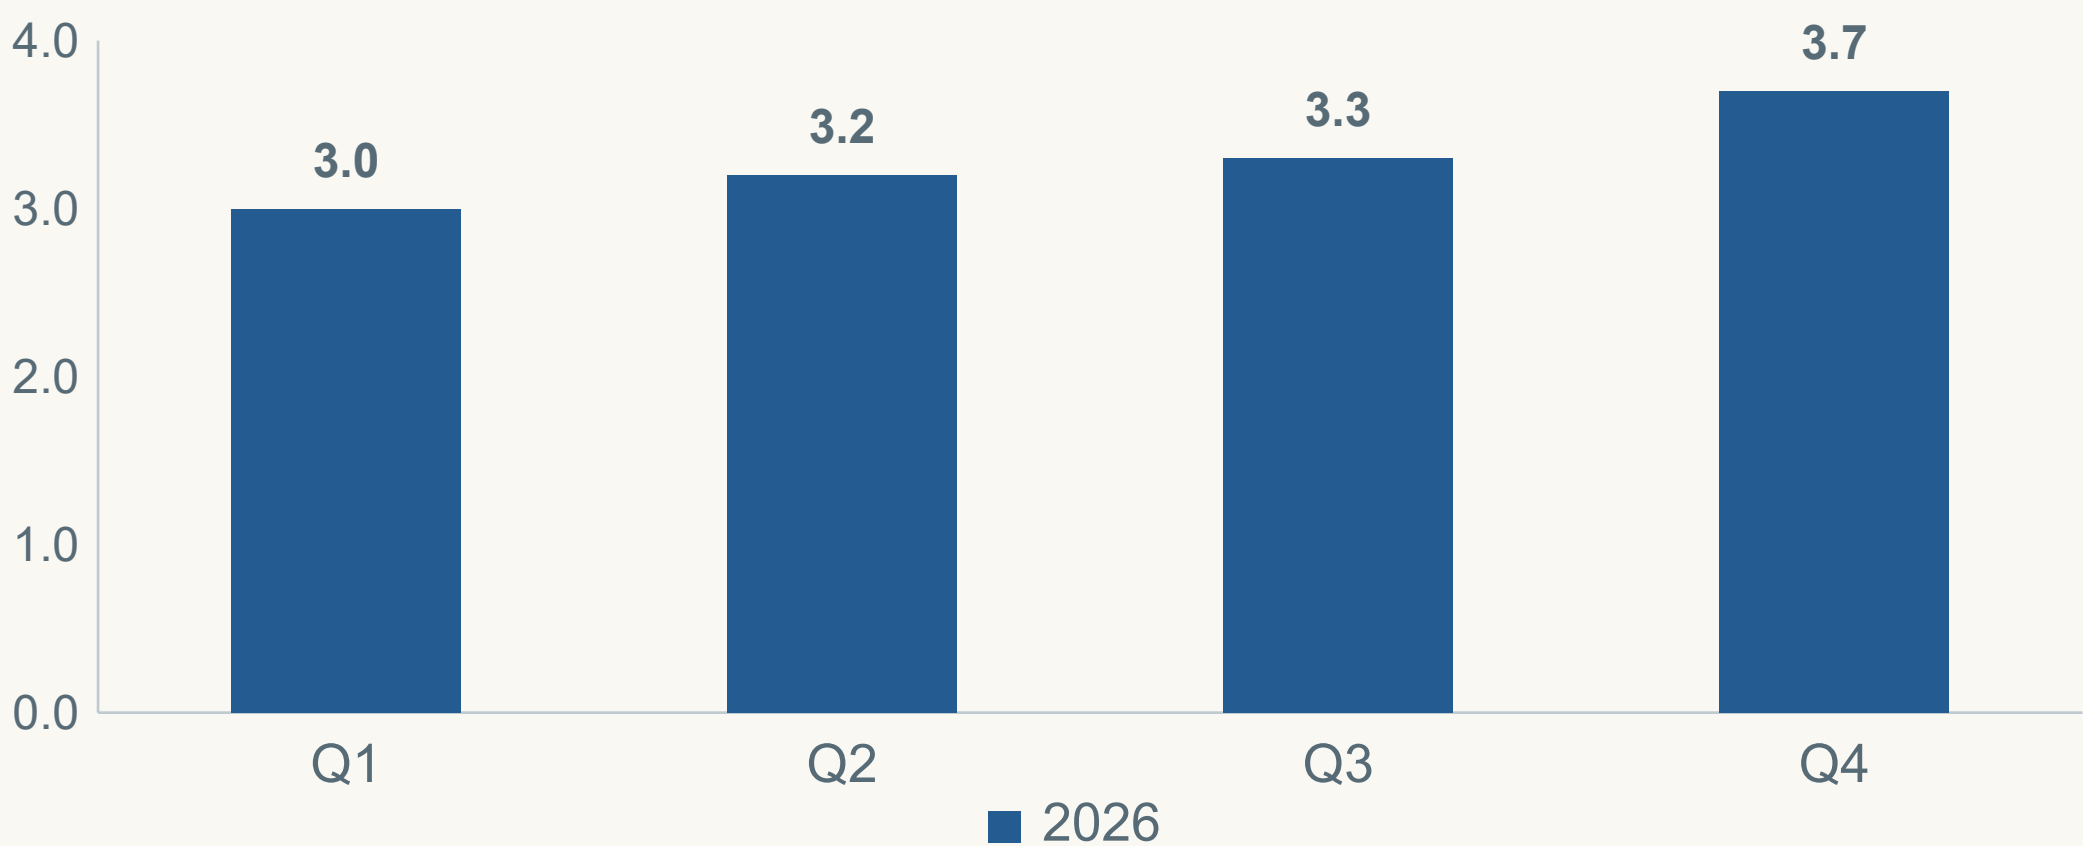

Quote layout

A useful presentation makes the decision clear and the evidence easy to check.

Illustrative editorial statement. No real person is quoted.

For a real quote, preserve the exact words, approved attribution and source.

Native Chart layout

NATIVE CHART

Data remains
editable.

Values in USD
millions.
Illustrative dataset.

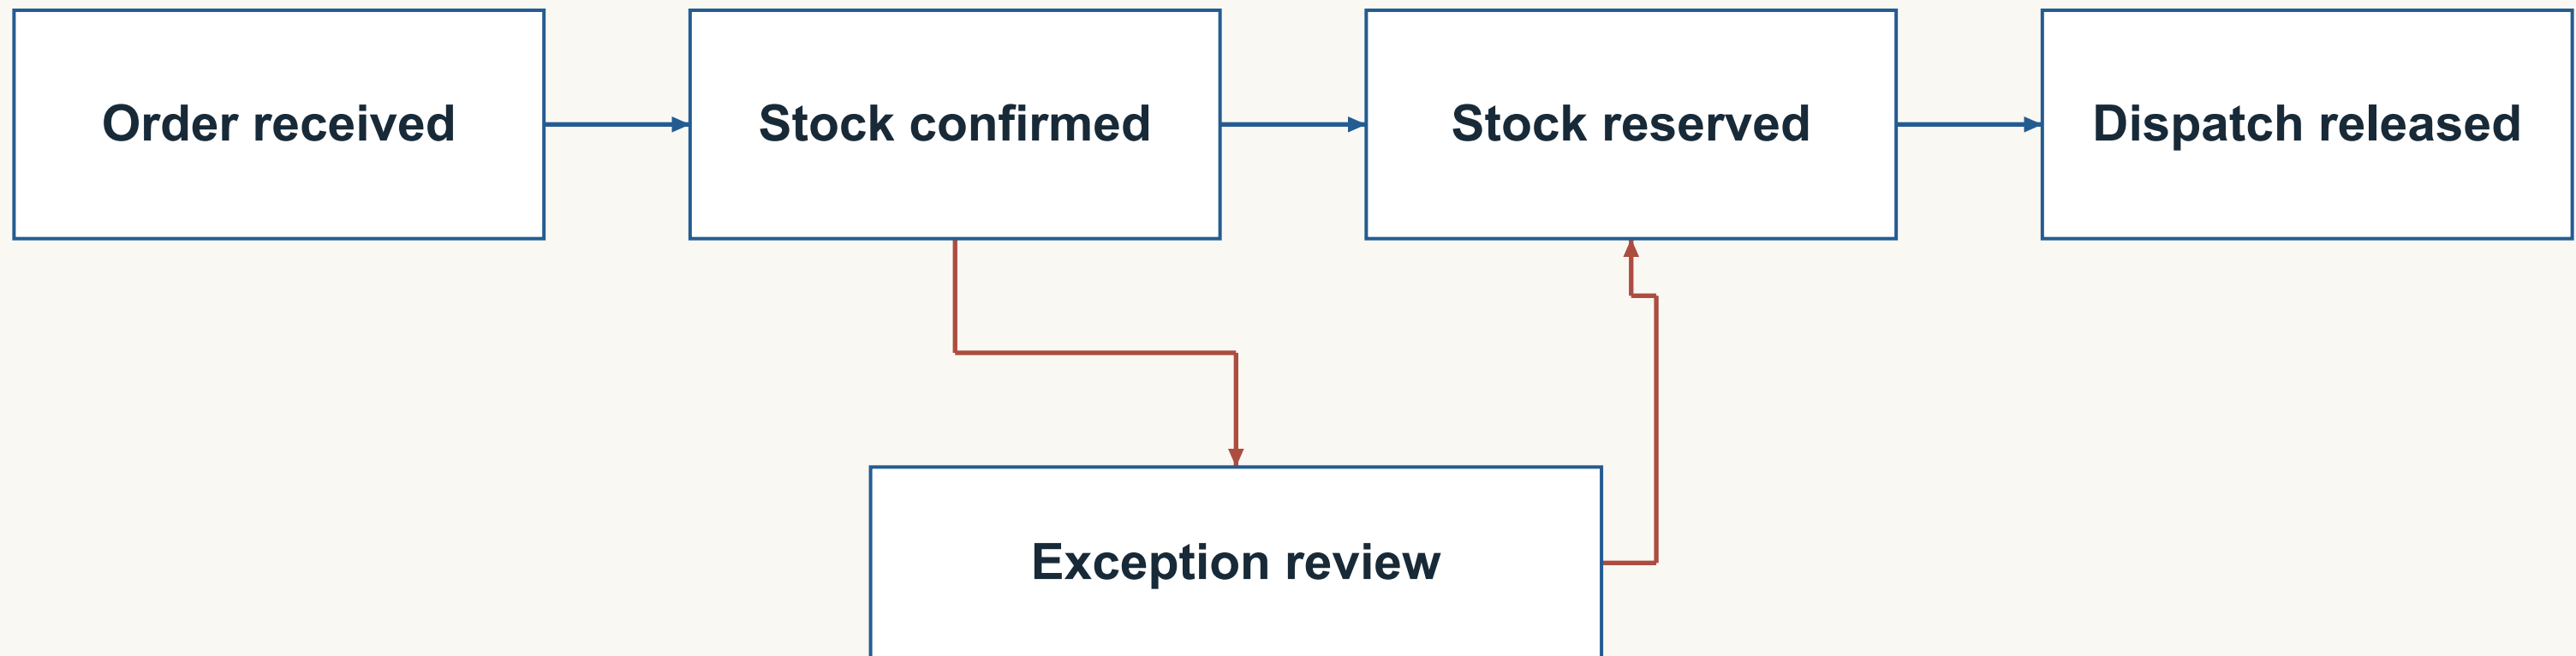

Native Table layout

Metric	2025	2026
Revenue	\$12.0M	\$13.2M
EBITDA	\$0.84M	\$1.24M
On-time dispatch	86%	91%

Native table. Verify totals and rounding before delivery.

Process layout

STANDARD FLOW

Only confirmed stock proceeds to release.
Resolve shortages or substitutions before reservation.

Team layout

OPERATIONS LEAD

Owens release checks.
Resolves exceptions.

FINANCE LEAD

Checks the source data.
Reviews assumptions.

COMMERCIAL LEAD

Confirms customer scope.
Records decisions.

Decision layout

DECISION

State the recommendation. Name the owner.

NEXT STEP

Confirm scope, source data and the review deadline.

Keep the decision separate from supporting evidence.
